PROFILE INFO

B.Sc. Computer Science graduate with 1 year of professional experience in the IT industry, bringing a strong technical background and creative problem-solving skills. Passionate about video editing, with hands-on experience creating engaging YouTube videos, Instagram Reels, and other social media content using DaVinci Resolve and CapCut. Dedicated to producing high-quality, visually compelling content while continuously expanding expertise in editing, motion graphics, and post-production workflows.

PROFESSIONAL EXPERIENCE

2025 - Present

Freelance / Personal Projects

Created Instagram Reels, YouTube Shorts, and other social media videos with engaging pacing and transitions.

Designed thumbnails and optimized videos for multiple social media platforms. Continuously improving skills in DaVinci Resolve, motion graphics, color grading, and YouTube & Instagram Reel editing.

July 2024 - June 2026

Smart Global Service Centre , Dubai

Built web applications, including ERP systems and chat platforms, using React.js, Next.js, and Tailwind CSS.

Provided technical assistance during deployment and maintenance of web applications.

Collaborated with team members to produce visually appealing digital content while maintaining project deadlines.

Edited short-form videos for platforms including YouTube Shorts and Instagram Reels.
